A Curated Series of Surprises

Harlan Jacobson

Talk Cinema is a film series offering its subscribers a unique selection of quality films independently curated by film critic Harlan Jacobson, a 30-year industry veteran. Each series previews independent and foreign films before their release. Screenings are followed by discussions led by scholars, critics and filmmakers.

This year Talk Cinema audiences were among the first to screen such notable films as *Everlasting Moments*, *Happy Go Lucky*, *Man on Wire* and *Slumdog Millionaire*.
